QUINTAB CARE

Art.-Nr. 90.000.202 160 x 10 g

- An innovative highly concentrated premium cleaning product
- Easy and certain dosing, a dosing system is not required
- No layer formation, even when used regularly
- Intensive care and cleaning due to innovative care substances, dirt-repellent
- No contact between the skin and the tab as far as possible
- Excellently suitable for use in automatic cleaning units
- Less packaging waste.

APPLICATION RANGE:

Quintab Care is a highly concentrated neutral floor cleaner for all coated and uncoated hard floors except for unsealed and oiled wood and parquet floors.

INSTRUCTIONS FOR USE AND DOSAGE:

Place the Quintab Care in its water-soluble foil in a bucket/automatic cleaning unit and fill up with water. (Caution: do not tear the foil open). The cleaning solution is ready for use after approx. 5 minutes. The tab is suitable for use with 10 l of water. In the event of heavy soiling, spray over surface floor with machine. Store in a dry place!

A correct dosage saves costs and protects the environment. Keep out of the reach of children. Do not mix it with other cleaning agents. If improperly used, there will be no legal claims accepted.

TECHNICAL DATA:

Form: a green tab in a water-soluble foil
Odour: fresh
pH-value of the 1% solution: approx. 9

INGREDIENTS:

5-15%: non-ionic surfactants
Under 5%: phosphonates
Contains: perfumes
The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

Better for the environment ...

- Lower load on aquatic ecosystems
- Less hazardous materials
- Its efficacy is tested

... better for you.

EU Ecolabel : DE/020/438

LABELLING
