INDUSTRIAL- AND MACHINE CLEANER

PICCOMAT TAB

Vending machine cleaner tablets in water-soluble film

Item.-No. 90.121.538 45 x 75 g

- for the mechanical cleaning and care of hard surfaces
- ideal for maintenance cleaning in grocery stores and shopping malls
- highly active in cleaning
- cleans and cares in one step
- antistatic and dirt-repellant protective film
- highly economic and very productive
- hard water compatible

AREA OF USE:

For the mechanical cleaning and care of all water resistant hard surfaces like PVC, rubber, natural and synthetic stone and industrial hard surfaces in production, storage areas, workshops, grocery shops, shopping malls, canteens and other large areas. Suitable for floors in sports halls (tested to FMPA DIN 18032/2).

INSTRUCTIONS AND DILUTION:

Mechanical: Please place the Piccomat Tab into the machine tank and fill up with water. (**Caution: Do not tear open the foil**). The machine is ready to start after 10 minutes. The tablet is designed for a 40 litres tank. The result of cleaning can be very much improved by the use of suitable scouring pads. **Store in a dry place!** Please use this product only according to regulations and keep it out of reach of children. Before use please try on small area to test material compatibility. **If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.**
